

Precision Prototyping  
to Realize Your Vision.

FOMO

Crafted with Excellence, Delivered on Time.

HIGH-QUALITY PROTOTYPES  
TO ENABLE BUSINESS DECISION.

CAPABILITIES

PLASTIC FABRICATION  
PRODUCT PROTOTYPES  
STYLING MOCK-UPS  
MILLED FOAM PARTS COMPOSITES  
MOLDED FOAM SOFT TOOLING  
CNC MACHINING GRAPHICS  
SCULPTING PAINTING  
RAPID PROTOTYPING  
CUSTOM COLOUR MATCHING  
SCREEN PRINTING THERMOFORMING

FOMO commits to cost, timelines and quality of prototypes and models.

# FOMO

At FOMO, we specialize in creating high-quality models and prototypes tailored to your unique needs. With years of experience and a track record of working with renowned brands, we are the trusted partner for industries like automotive, architecture, engineering, and more.

20 years old and spread over 4000 sq.ft.,  
We manufacture styling mock-ups, high fidelity aesthetic prototypes in real materials, high-accuracy engineering assemblies and also undertake batch production.

TOOLING BOARD SOLID WOOD  
PU FOAM (HARD) COMPOSITE  
ALUMINIUM PLASTIC
